

The Caring Circle

At the Caring Circle at Scouts WA, we're dedicated to promoting youth education and empowerment. We believe that access to the Scouting Program should be available to all, regardless of financial circumstances. While we've relied on group fundraising efforts and administrative support to assist families facing financial barriers, we recognise that need for support is ongoing.

Seeking Financial Support? Do you or someone you know need financial assistance to participate in the Scouting Program? We're here to help!

Complete the form below to apply for support from our Caring Circle. Our team will review your application with care and confidentiality.
